A premium sedan with a powerful presence

The 2015 Kia Cadenza is a premium sedan that commands attention, artfully combining sophisticated exterior styling, a luxurious interior and exhilarating performance. Its many technologically advanced features include the UVO eServices¹ Infotainment System with voice-command navigation and available features such as Advanced Smart Cruise Control^{2*} and Blind-Spot Detection with Lane Change Assist.^{2*} A 293-hp, 3.3L Gasoline Direct Injection (GDI) V6 engine delivers exceptional performance, while its finely tuned suspension system provides a smooth, quiet ride and precise handling. To help ensure your peace of mind, Cadenza incorporates the latest advanced safety systems[†] including Vehicle Stability Management, Electronic Stability Control and a Brake Assist System.

1, 2, * See Features and Specifications pages for availability and endnotes. Not all optional features are available on all trims. [†]No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly.

Cover and this page: LIMITED SHOWN. Limited trim available Fall 2014.

A spacious and luxurious private retreat

With luxurious appointments and a roomy cabin, Cadenza is designed to satisfy the most demanding driver. Spacious seating invites everyone to relax and travel in first-class accommodations. The heated, 10-way, power-adjustable driver's seat and eight-way, power-adjustable front passenger seat are designed to provide an ideal balance of comfort and support. Leather seat trim, wood-grain style trim and available chrome accents* throughout the interior further add to Cadenza's sophistication and refinement.

* See Features page for availability. Not all optional features are available on all trims. TECHNOLOGY PACKAGE SHOWN.

Designed for optimum comfort

Cadenza's elegant interior is appointed with luxurious features that take comfort to the next level. For distinctive styling and a soft, inviting feel, premium Nappa leather seat trim* is available. Other available refinements include ventilated front seats*, a power-adjustable driver's seat-cushion extension* and a power rear-window sunshade.*

PANORAMIC SUNROOF* Brighten any drive with the available panoramic sunroof. It includes a power-retractable sunshade for enhanced convenience. **1. DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL** To create personalized comfort zones, the available dual-zone automatic temperature control allows the driver and front passenger to adjust individual temperature settings. Rear-seat passengers can adjust a separate ventilation outlet. **2. HEATED STEERING WHEEL*** Driving during colder months is more pleasant with the available heated steering wheel. **3. POWER REAR-WINDOW SUNSHADE*** Rear-seat passengers can enjoy a cool and comfortable drive with an available power rear-window sunshade. **4. POWER SEAT-CUSHION EXTENSION*** An available power-adjustable driver's seat-cushion extension is a welcome luxury, providing extra support and allowing drivers to select their own custom comfort settings. **MEMORY SETTINGS*** An available memory system remembers two drivers' preferences, recalling stored positions for the driver's seat, outside mirrors and power-adjustable steering column.

* See Features page for availability. Not all optional features are available on all trims. Images shown for illustration only. LUXURY PACKAGE SHOWN.

- 1. VENTILATED FRONT SEATS*** Enjoy optimal comfort in warm weather with an available ventilated front seat that circulates air through perforations in the seat leather.
- 2. HEATED SEATS*** Heated front seats and available rear seat cushions help ensure comfortable driving in cold weather.

Empowering you with
advanced technology

Cadenza utilizes the latest technology to elevate every aspect of your driving experience. Standard amenities such as a voice-command navigation¹ system with Rear-Camera Display² and a Back-Up Warning System² help keep you in control. In addition, features such as a premium Infinity^{®3} surround-sound audio system with 12 speakers for rich audio performance let you and your passengers enjoy every moment you spend traveling.

- 1. INFINITY^{®3} AUDIO SYSTEM** A premium Infinity^{®3} surround-sound audio system with 12 speakers delivers exceptional audio entertainment, surrounding driver and passengers with crisp, balanced sound.
- 2. REAR-CAMERA DISPLAY²** Conveniently see things behind your vehicle that you might not see by looking over your shoulder. **3. BACK-UP WARNING SYSTEM²** A sonar system is concealed in the rear bumper. When you back up, an audible warning is given if the system detects objects behind your vehicle. **4. PUSH-BUTTON START** The convenient Smart Key remote lets you start or stop the engine with the push of a button, even when you have the key fob in your pocket or purse.

- 5. POWER-FOLDING OUTSIDE MIRRORS** Easily fold outside mirrors in or out using a door-mounted control or the key fob. **6. SUPERVISION GAUGES*** The available Supervision meter cluster's seven-inch display has sharp, high-contrast graphics and outstanding readability, thanks to Thin-Film Transistor (TFT) coating. **7. HYDROPHOBIC GLASS*** To help improve visibility in rainy weather, front side windows with available hydrophobic glass repel water quickly and efficiently. **BLUETOOTH[®] WIRELESS TECHNOLOGY*** Enjoy streaming audio when using a compatible Bluetooth[®] wireless technology enabled device. **SIRIUSXM[®] SATELLITE RADIO⁵** Get over 150 channels of commercial-free music, plus sports, news and talk in your Kia. With All Access, enjoy 160+ channels on your computer, smartphone and tablet.

1, 2, 3, 4, 5, * See Features and Specifications pages for availability and endnotes. Not all optional features are available on all trims. Images shown for illustration only. TECHNOLOGY PACKAGE SHOWN.

It's nice to be well connected

ADVANCED VOICE RECOGNITION

UVO eServices¹ advanced voice-recognition technology lets you conveniently manage your music and enjoy hands-free¹ use of your phone — with simple, intuitive verbal commands.

MY POINTS OF INTEREST

UVO eServices¹ allows you to use a web-enabled computer to send locations that you find on Google Maps™¹⁰ mapping service to the navigation system for route guidance.

PARKING MINDER¹

Parking Minder can record your vehicle's location whenever you park. Then you can use your compatible smartphone⁶ to help find your car. It also lets you take pictures of the surrounding area for reference, write a reminder note or set an alarm if you're parked at a meter.

911 CONNECT⁷

In the event that an airbag is deployed, 911 Connect automatically initiates a call to emergency services. In some circumstances, UVO eServices¹ can also transmit your vehicle's location to the emergency services operator.

ENHANCED ROADSIDE ASSIST⁸

You can call for roadside assistance by touching an icon on the smartphone⁶ app¹ screen. UVO eServices¹ then sends your location to the Call Center and connects you to an operator.

VEHICLE DIAGNOSTICS⁹

Vehicle Diagnostics automatically triggers checks if the system detects a critical powertrain issue, alerting you to schedule an appointment or request roadside assistance. You may perform a diagnostics check at any time or schedule checks on a regular basis.

UVO[®] — short for “your voice.” Cadenza is equipped with the innovative UVO eServices¹ Infotainment System with voice-command navigation. It provides you with an easy, hands-free¹ way to connect to your vehicle by seamlessly integrating your compatible smartphone⁶ with your Cadenza. UVO eServices¹ also

lets you stream music and gives you a digital library to store your favorite songs. Its many advanced capabilities include the ability to connect with 911 Connect⁷ or Enhanced Roadside Assist⁸ and monitor maintenance requirements with Vehicle Diagnostics.⁹ Additionally, there are no subscription fees¹ to enjoy all these benefits.

UVO eSERVICES APP¹

An available free app allows you to integrate your compatible smartphone⁶ with your vehicle — and make the most of UVO eServices.¹ This app can be downloaded at the App Store^{SM12} and Google Play™ Store.¹⁰

MY CAR ZONE

My Car Zone provides Curfew, Speed and Geo Fence alerts based on your targeted presets. You may also use the touch screen to check the driving history of preset violations for curfew time, speed limit or geographical radius parameters.

eSERVICES¹ GUIDE

To learn more about UVO eServices¹ features, you may access an automated user manual by using the touch screen on the vehicle.

VOICE-COMMAND NAVIGATION

The available voice-command navigation system has a vivid 8-inch color screen and delivers continuously updated highway conditions from SiriusXM Traffic.⁵

MYUVO.COM WEB/MOBILE

MyUVO.com lets you check Vehicle Diagnostics⁹ and schedule appointments with your preferred or nearby Kia retailer using your home computer or mobile device.

1, 5, 6, 7, 8, 9, 10, 11, 12 See Specifications page for endnotes. Actual component appearance may vary.

Responsive & inspiring performance

Cadenza delivers exhilarating performance and precise handling. Technologically advanced available features ranging from Advanced Smart Cruise Control^{2*} to Blind-Spot Detection with Lane Change Assist^{2*} help keep you in command at all times. A 3.3L Gasoline Direct Injection (GDI) V6 engine generates 293 horsepower for dynamic acceleration. Its six-speed, Sportmatic[®] transmission allows you to choose between automatic mode or, for sportier driving, clutch-free manual shifting with steering-wheel-mounted¹ paddle shifters. In addition, Cadenza’s finely tuned suspension system ensures a remarkably smooth ride, while sound-absorbing insulation throughout the vehicle reduces, blocks and absorbs road noise.

REAR CROSS-TRAFFIC ALERT^{2*}

Available Rear Cross-Traffic Alert warns the driver of cross-traffic while the vehicle is in reverse by activating audible and visual alerts to help reduce the likelihood of a collision.

ADVANCED SMART CRUISE CONTROL^{2*}

Available Advanced Smart Cruise Control system uses radar to maintain a predetermined distance from the vehicle ahead, slowing or accelerating the vehicle when appropriate.

BLIND-SPOT DETECTION WITH LANE CHANGE ASSIST^{2*}

Available radar system helps detect when a vehicle is in the driver’s blind spot and alerts the driver with a warning light in the side mirrors. Lane Change Assist helps detect vehicles approaching from further behind at high speed.

ADAPTIVE FRONT LIGHTING SYSTEM (AFLS)^{*}

Available Adaptive Front Lighting System pivots the lights to follow the curves of the road for enhanced visibility. The system includes High-Intensity Discharge (HID) headlights that provide brilliant illumination.

1. LANE DEPARTURE WARNING SYSTEM^{2*} Audible and visual warnings alert the driver when this available sophisticated system detects movement out of the lane without the use of a turn signal.

2. SURROUND-VIEW MONITOR² On the Limited model, Surround-View Monitor utilizes four cameras located at the front, rear and sides to provide a view around the vehicle. This helps enhance driver visibility when maneuvering into parking spaces.

2, * See Features and Specifications pages for availability and endnote. Not all optional features are available on all trims. Images shown for illustration only. TECHNOLOGY PACKAGE SHOWN.

Advanced safety systems to help handle unexpected conditions

Safety systems help add peace of mind in certain situations. That’s why all Cadenza models are equipped with advanced safety systems engineered to help you maintain control, even in challenging road conditions and in some emergency situations.[†] They function automatically, leaving you free to focus on the road.

VEHICLE STABILITY MANAGEMENT (VSM)
VSM adds steering direction control capability. It intervenes when appropriate to help the driver regain control of the vehicle.

ELECTRONIC STABILITY CONTROL (ESC)
ESC monitors your vehicle’s response during emergency maneuvers. It can then control the engine and brakes to help keep your Cadenza on course.

TRACTION CONTROL SYSTEM (TCS)
When TCS senses wheel spin during vehicle acceleration, it uses engine power and brake force to help transfer power to the wheels that have the most traction.

ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)
To help maintain more consistent braking as vehicle loads and weight distribution change, EBD adjusts the front-to-rear balance of brake pressure.

BRAKE ASSIST SYSTEM (BAS)
If BAS detects emergency braking, based on how quickly you step on the brake pedal, it instantly applies full braking force, which helps shorten your overall stopping distance.

HILL-START ASSIST CONTROL (HAC)
To help keep you from rolling backward when starting off on a steep hill, HAC automatically holds the brake pressure for two seconds after you take your foot off the brake pedal.

[†]No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly. TECHNOLOGY PACKAGE SHOWN.

Designed to help protect driver & passengers

The Cadenza is equipped with passive safety systems designed to help minimize injury when certain traffic accidents are unavoidable. An advanced airbag system helps protect driver and passengers with dual front, front and rear seat-mounted side, and full-length side-curtain airbags. Cadenza wraps all of this — and you — in a protective, high-strength, tensile steel-reinforced body that absorbs impact energy to help protect you in case of a collision.¹³

EIGHT ADVANCED AIRBAGS
Dual front airbags, full-length side curtain airbags and front and rear seat-mounted side airbags are managed by an advanced sensor system that can even respond in certain rollover situations.

AIRBAG & SEAT BELT SENSORS¹³
This advanced system monitors the severity of certain impacts, the presence of a front passenger and seat belt use, and then controls airbag inflation accordingly.

FRONT SEAT BELT PRETENSIONERS
Pretensioners have been designed to tighten the front seat belts in the event of certain collisions. This helps to reduce the likelihood of injuries in some situations.

HEIGHT-ADJUSTABLE SEAT BELT ANCHORS
The front height-adjustable seat belt anchors allow the driver and front-passenger seat belts to be raised and lowered for a proper fit.

SIDE-IMPACT DOOR BEAMS
All doors are reinforced with steel beams to help absorb impact energy and deflect side-impact force. The A and B pillars are also reinforced to help strengthen the body of the vehicle.

FRONT & REAR CRUMPLE ZONES
Front and rear crumple zones are specially engineered to help absorb and dissipate impact energy, helping to preserve the structural integrity of the passenger compartment in certain collisions.

Delivering on a promise

Kia is committed to producing world-class vehicles to suit most every driving need. This commitment has led to the development of stylish vehicles with an extraordinary combination of precision engineering, outstanding performance, innovative features and advanced safety systems. Kia’s dedication to quality and value has been widely recognized — one reason why Kia has been named as a top 100 brand in Interbrand’s Best Global Brands 2013 report.¹⁴ In addition, Kelley Blue Book’s KBB.com has announced the recipients of its Brand Image Awards, naming Kia as the 2014 Best Value Brand. This honor recognizes our success at producing fuel-efficient and affordable vehicles.¹⁵

TAKING ON THE COMPETITION
The Kia Racing team is dedicated to competing against world-class competition — and winning. That dedication is part of Kia’s belief that the knowledge gained in competition can be applied to the entire Kia lineup to provide you with vehicles that perform beyond your expectations. The Kia Racing team includes championship-winning drivers with proven track records, and after two podium finishes early in the 2014 season you can look for Kia in the winner’s circle at racetracks across America in the months ahead.

COMMITMENT TO AMERICA
Kia Motors has invested over \$1.1 billion in its manufacturing plant in West Point, Georgia. Utilizing the latest manufacturing processes and state-of-the-art robotics, the plant recently produced its one millionth vehicle after less than four years of operation. The Sorento crossover and certain Optima midsize sedans are currently being assembled at this plant.* Together with on-site and local suppliers, the Georgia facility is responsible for the creation of more than 14,000 jobs in West Point and the surrounding areas. It’s all part of Kia Motors’ commitment to America — a commitment that is sure to grow and strengthen in the years ahead.

COMPELLING DESIGN
Kia vehicles have captured worldwide attention for their interior and exterior styling, which represents the collaborative work of designers who have created a look that makes every Kia recognizable at first sight. Today, the lineup consists of vehicles that fill owners as well as Kia’s designers with pride.

INDUSTRY-LEADING WARRANTY PROGRAM¹⁸
Kia engineers are passionate about producing vehicles that are exceptionally well designed and reliable. Their dedication to quality and attention to detail give Kia the confidence to back every model with an industry-leading warranty program.¹⁸

- 10-year/100,000-mile limited powertrain warranty
- 5-year/60,000-mile limited basic warranty
- 5-year/100,000-mile limited anti-perforation warranty
- 5-year/60,000-mile 24-hour roadside assistance

DONORSCHOOSE.ORG
Kia is committed to providing assistance to those in need. That’s why Kia became the first car company to partner with DonorsChoose.org, an online charity that allows organizations and individuals to donate to classrooms in need. Together with thousands of citizen philanthropists, Kia has raised more than \$5 million to fund more than 10,000 projects across all 50 U.S. states, impacting more than 1.5 million high-need public school students in just two years.

*The Sorento and Optima GDI (EX, SX & Limited and certain LX trims only) are assembled in the United States from U.S. and globally-sourced parts. 14, 15, 16, 17, 18 See Specifications page for endnotes.

PACKAGES

LUXURY PACKAGE

1. Panoramic sunroof w/power-retractable sunshade
2. HID headlights with Adaptive Front Lighting System
3. Ventilated front seats
4. Heated rear seat cushions
5. Nappa leather seat trim
6. Integrated memory system for driver's seat, power tilt & telescopic steering column, outside mirrors
7. Power-adjustable driver's seat-cushion extension
8. Heated steering wheel
9. Power rear sunshade
10. Supervision meter cluster w/7" Thin-Film Transistor (TFT) LCD
11. Windshield wiper de-icer (not shown)
12. First aid kit (not shown)

TECHNOLOGY PACKAGE (REQUIRES LUXURY PACKAGE)

1. 19" alloy wheels
2. Advanced Smart Cruise Control²
3. Blind-Spot Detection w/Lane Change Assist²
4. Rear Cross-Traffic Alert^{2^}
5. Lane Departure Warning System²
6. Hydrophobic glass (front side windows)
7. Electronic parking brake

ENDNOTES

1. Warning: Driving while distracted is dangerous and should be avoided. It can result in a loss of vehicle control that may lead to an accident, severe personal injury and death. Drivers should remain attentive to driving and always exercise caution when using the steering-wheel-mounted controls while driving. The driver's primary responsibility is in the safe and legal operation of a vehicle, and use of any handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or which are not permissible by law should never be used during operation of the vehicle. Actual product may vary in appearance from photographs. See retailer for details. No subscription fee for UVO eServices. No charge for the UVO eServices app but requires downloading. App uses your smartphone cellular data service. Normal cellular service rates will apply. **2.** These systems are not substitutes for proper and safe driving, backing-up or parking procedures therefore always drive safely and use caution. These systems may not detect every object behind the vehicle, in a driver's blind spot, surrounding areas of the vehicle or direction of travel.
